

FUTURE WARRIORS DRIBBLING CLUB

Future Warriors Dribbling Club

All boys in grades 2nd thru 5th are invited to join us in the first ever Future Warrior Dribbling Club. Led by Coach Jameson and his high school staff, players will be exposed to many different drills and opportunities to improve their ball handling ability. Practice sessions will be once per week starting the week of October 17th and ending January 14th. During practices each child will be given many different drills that will improve their ability to handle the basketball. This will be a very energetic and fun environment and the players will learn new drills and ways to

improve their ball handling ability. During the practice sessions players will learn a choreographed routine that they will perform during halftime of two Scottsburg Warrior home games in Meyer Gym.

Cost: \$25 per little warrior
